## **DON'T LET YOUR DICK FALL OFF**

Dear FOX: I swear to fuck, I am your biggest fan. I'm sure you have jerk-offs writing in claiming that all the time, but seriously, that title is mine. I have pretty much every issue for the last three years and I have jerked off to every single photo in every single one at least half-a-dozen times, each. (Well, except for maybe that one Raylene issue, bitch looked waaaaay too much like my mom.) But why I'm writing in is because I think you should do a feature on YOURS TRULY. Like let me be the male talent in a set or something to reward me for all of my dedication and loyalty and shit. I haven't spanked it to another nudie mag since I don't know how long. It's

almost like I can't even get hard without that little fox dude winking at me first. (I'm not saying I get wood for cartoons or nothing. That is some sick shit.) But what do you say? Even if you don't go for it, I'll still be your biggest fan from now until my dick falls off. Fuck yeah, FOX.—Denny via email

## **NO, THAT NEVER HAPPENS...**

Dear FOX: Did your magazine ever contain a personals section? Not to match up readers with talent—lord knows that never happens in real life. But to match readers with other readers. I have a difficult time meeting women who share my interests and I think if I could meet a porn-positive young lady

who enjoys your magazine as much as I do, well that would indicate a fair amount of compatibility. I know for a fact that you have a female readership because I've read some of the letters written in by female fans that have been published in this section. My suspicion is that you have a far more vast female readership than is indicated by those letters. I can promise you that even if I do find myself in a satisfying relationship with a female, I will still maintain my subscription to FOX for at least another year.—Rich in Da Bronx

## **HE JUST CAN'T GET ENOUGH**

Dear FOX: I can't seem to get enough Dana DeArmond. She has been my go-to whore for

quite a while now and she never lets me or my willy down. She has a mature air of sexiness about her, like a woman who knows a thing or two. All of those super young broads in the industry are hot and all, but I feel like they all have wildness in their eyes, like you never know when they might revolt and bite your dick off. Dana, on the other hand, exudes a vibe that says she's happy to earn her living by fucking. That she likes to have her asshole stretched six ways to Sunday. She is my kind of woman, for certain. I was delighted—as was my willy—to see her on the June cover. Much more Dana, please!—*Michael in IL*

### **DON'T LET THE DOOR HIT YOU...**

Dear FOX Magazine: I have invented something that I am sure has the potential to make a lot of money. It is PUSSY FRESHENER. It is not like a perfume that you spray into the snatch, which doesn't last very long and can, in fact, burn and irritate the sensitive inner vage (or so I have been

told), but it is a small sachet that is placed inside the pussy itself that keeps it FRESH and CLEAN-SMELLING even after multiple fucks. I am thinking it would be a huge hit in the porn industry, what do you think? Also in the non-porn marketplace I think it would sell because a woman wants to have a vagina that smells GOOD ENOUGH TO EAT at all times, am I right? It is much easier than douching, much less time consuming and a pussy freshener can be popped in on the go. And no creepy "mountain breeze" or "springtime rain" scents, my pussy freshener would be cherry scented. What do you think? I would love to hear what some of the porn girls think of this, if they think it is a product they would. Male talent can chime in, too. Maybe FOX wants to invest? Get in on the ground floor?—*Victorino via email*

### **ASPIRINS ARE FOR IRONING**

Dear FOX Magazine: As nice as it is to look at big cans on a girl, I have to say that from

personal experience big cans are not all that. A lot of times they aren't sensitive so even if you lavish attention upon them and suck on the nipples and knead them and whatnot, the woman doesn't give much of a flying fuck. So give me a gal with aspirins on an ironing boards any day, because then when I cover her nipple with my mouth at least I know she'll get wet. Like that Natalia Rogue girl you ran a set of in the June issue. Her miniscule ta-tas were exactly what I'm talking about. Less that a mouthful and likely sensitive as fuck.—*S. in VA*

### **A STY IS BORN**

Dear FOX: I'm not gay or anything, but I really dig those shoots featuring Tim Von Swine. He's like a real dude, you know? It sort of gives fat losers like myself a little bit of hope. I'd love to see him bone, say, Jenna Presley or Isis Taylor. Go Tim! Keep on fucking porn stars on behalf of the everyman.—*B.W. in Walla Walla*

GIA  
STEEL

@GiaSteel

Here's a conundrum—what to do with an exotic porn newbie so smoldering with carnality that the fear is she may, at any moment, spontaneously cumbust? Duh—just drive her out into the desert and hand her a dildo. Gia Steel has been sopping up squirts of molten man-naise on screen for about a year now and goddamn is she good at it. Seriously, it's as if being a sponge sponge is this cutie's true calling. She's fun and free-spirited and exudes pure positive energy while porking. Her glorious mane of hair is echoed by a ruly thatch of pubes, which is a nice womanly way to offset those itty-bitties. Her overall au naturel-ness is precisely what Gia's got going for her—a supple body unencumbered by both implants and ink, plus an obvious penchant for putting out. Gia's just the type of ingenuous slut that will make a more jaded ho secretly jelly. 🐱

**Texas Hold'em Odds Card**

In the game of Texas Hold'em, your goal is to play as many hands as possible against the least amount of players, preferably heads up. The more players involved in any hand may decrease the probability that the best pre-flop hand will win.

The following chart illustrates suited AA - TT and shows the winning percentages for 2, 4, 6, 8, & 10 players.

Please Note: The chart refers to only suited hands. The non-suited hand percentages are slightly lower than those of suited hands.

**PIXXX & ARTICLE BY JEFF HUBRIS**

Jessie Andrews sits next to her agent Mark Spiegler in the waiting room/kitchen of this Burbank soundstage, which comes complete with a microwave and refrigerator. In 2012 the Miami native brought home the AVN Award for Best Actress and the XBIZ Award for Best Acting performance in addition to the XRCOs for Best Actress and Best New Starlet. All this could be interpreted as a very, very successful run. But at the moment she's relating a tale of domestic discord. "The first person I ever tried to be a roommate with failed after like a month," she drones. "So that's full on that I should never have anybody live with me...ever.

Jessie's porn career has been on crack or, in non-drug parlance, on an extremely precipitous upswing. "Some weeks I'll shoot like four or five times and the next one I'll shoot like two," she says. "But it's the same because it just gets more spread out. Like, at the beginning of this month I went to London for a couple days to visit my friend and I didn't work for like five days. In the past two weeks I've been working almost every day. It's weird. I don't really hang out with industry people so I'm really not in the groove of people seeing me and stuff. I don't like to tell people what I'm doing. They just come see me on the Internet and that's it. I mean, I do stuff but sort of keep my life a mystery."

She'll play an English barmaid who will bang Dane Cross in tonight's final scene, which is still hours away. Smash Pictures big shot Stuart Wall has hired Brett Rossi, Lexi Ward, Riley Jensen and Sophie Dee to round out the vagina wielding side of the cast, in addition to super porn thesp Andrews who has retired to a dressing room upstairs. Jim Powers is out on the soundstage, attempting to plan the evening. It's a stressful time. He speaks quickly. "It's a ridiculous undertaking with only two days to shoot the movie. I was in London for three days and I got the shots of the guy being chased on the Tube and various stuff for the production value but the meat and potatoes of the shoot was over two days. There are lots of special effects. What we're trying to do now is the scene in the porn theater where he's confronting all the people that he's murdered."

Chairs have been set up to imitate a porn theater. Several extras are in the process of having special effects makeup applied to their faces and extremities that represents the flesh ripping violence and consequent death they experienced as a result of their confrontation with Mr. Werewolf. This is sort of a larger, dramatic undertaking than your run-of-the-mill, garden-variety gonzo porn movie. After all, there are scripts floating around with lines on them that must actually be spoken. I feel everyone's pain. Powers shoots the theater sequence and wants to roll into the last scene immediately. "It's half-past midnight" he says. "Now we're getting to the hours where the magic happens!"

Powers has his photographer F-Stop shoot stills of Jessie in her barmaid outfit and then in various stages of nudity. "What's going to happen is they're going to go into the pub and it's going to be a classic barkeep's daughter thing," he says urgently. "The barmaid is a fucking horny little slut who wants to fuck the Americans. That's the reason Americans have gone to Europe their entire lives, because they all want to bang the European chicks. Just like the European guys always want to come to America to bang the American whores. It's a story for the centuries."

Dane Cross' compatriot is played by a fellow called Richie's Brain. He gets my vote for best male porn name ever. Famous British porn cameraman Barry Wood plays Jessie's leering, publican father. By the time dialogue is shot it's after 2 A.M. The sexual acts will take place on a large brown chair beneath a pentagram that has been spray-painted on the wall. Powers rolls video. Cross asks his barmaid the significance of the pentagram. "That's just to keep the werewolves away," she says in a demanding British accent. "Now are you going to fuck me or not?"

So it's on. The fuckees begin earning their money, taking it upon themselves to deliver an exciting bang out after much hurry up and wait. Frankly, I'm tired as fuck. Our performers, however, are bringing it home. Jessie Andrews looks exceedingly fresh, inhaling cock and ripping through all of the positions no prob.

**JIM POWERS:** Alright, so for your fans who may be homophobic and cannot masturbate while they're watching Dane's huge porno penis go in and out of your swollen vagina, will you play with yourself for about five minutes and talk to your fans?  
**JESSIE ANDREWS:** I don't like talking. Guys, guys, guys! Quiet!!! The woman is masturbating. I'm not masturbating!

**JESSIE:** Since I've gotten older I've lost a lot of baby fat. I was in high school when I started porn. No, it wasn't a work-study program. I was doing it in high school and then they kicked me out. Everyone frowns on it who is not in porn. My childhood was normal...I don't know, I played sports. I have sisters who are older than me. I'm an Aries. I was born in March. If I wasn't doing porno I probably would be in college studying, I don't know...standard stuff. I'm going to try and stay in porno as long as it will keep me here and as long as I look young. After that we'll see where it takes me. I don't know. Twenty years down the line I'm going to be at home and I'm going to be sewing, and running on the treadmill. I had a boyfriend before, when I was younger. They want you to do girl/girl and they don't want you to do porn. The first time I had sex was with my first real boyfriend. It was over Christmas and we were just wrapping presents and it happened. He came inside a condom from what I can remember. I never did I handjob or a blowjob before I got into porn. I don't really have a favorite male porn star. If I was trapped on a desert island probably it would be Ramon. He would be very useful because he knows how to surf so I could learn something while I was trapped there. He's the most survival-handy person I can think of male talent-wise. When I work for Mike Adriano I make sure I look in the mirror when I shave my butt to get everything because he wants to look at your asshole for like hours. He's like, *Show me your asshole*. And this is for a BJ scene. He's so funny.

Dane Cross is strong and blows a very decent load on Jessie's face, and very much within the requested time window. The pack-up begins seconds after Powers shuts off his camera. Everyone's exit will take place ASAP. Jessie still looks good, none the worse for wear. Also no whining, for what it's worth. She's in a good mood while she wipes off and gets dressed, and just like everyone else, is so out of here. This up thing is working.

@ChristyMack

With her sick tats and her silky femme-hawk, Christy Mack sports a look that is unique, unapologetic, and mohertrucking hot. The way she flaunts her badass bod all but screams "suck it." Hell, even her tits are full of 'tude—they sit high and round on her chest like two boob-shaped bazookas, locked and loaded. Fucking a girl this sexy and confident is not a job for the timid—only an experienced woodsman need apply. Although she has no qualms about bossing her lovers around and could coach any chump with a chubby through drilling her an O, Christy would much rather bump uglies with a stud who's already swell in the sack. Otherwise, she's cool to just kick back and frigg off with her friendly pink fuckstick. She lubes it up with spit, spreads her thighs, and sinks it deep while clenching her cunny, pushing and pulling on Pinkie to achieve guim-quaking climax. 🐱

# VANESSA MONET VS. TIM VON SWINE

PIXXX BY PORCINE, INC.

31929

@xxxvanessamonet

**POV**  
PIG SAUCE  
EDITION!

Is it porn or is it art? When discussing master tartisan Tim Von Swine, the unequivocal answer is, "it's both." For example, behold the aesthetically pleasing way in which Vanessa Monet's plump ass cheeks are spackled. Despite being nearly blinded by orgasmic bliss, TVS chooses to dapple both halves of Vanessa's mocha-colored moon with pig paint. But what went in to creating such a cumposition? When studying a sticky canvASS like Monet's, it's important to pay attention to process. Observe how Vanessa familiarizes herself with Tim's pale palette by stretching her hole with a pasty plastic prick. Then, to make sure he had plenty of lead in his pencil, she takes him into her mouth and sucks him hard. Tim then makes some bold strokes inside her velvety vage, keeping the friction upon her clit light and even until Vanessa cries out in climax. That is the cue for Tim to withdraw and finally realize his jizzy vision. Another stellar example of the Timpressionist Movement. 🐷

**FOX: How did you choose your porn name?**

Tara Lynn Foxx: Well, I love Jamie Foxx, and Tara is the goddess of love and creation in several Eastern religions. Lynn sounded nice with it...I wanted three names...lol!

**What were you doing before you got into porn?**

I started doing webcam shows as Annabelle Amore to pay for college. A few months later I joined porn as Tara Lynn Foxx.

**How did you get into camming?**

I was in high school. I was 18 and did shows from my bedroom.

**What made you take it up a notch and decide "Hey, I'd like to be a porn star."**

Good question! Well, I was wanting more...I need interaction and I could reach a broader audience in porn vs. being a cam girl. I really get pleasure in creating fantasies for people all around the world ;-)

**Were you a porn watcher pre-porn? Did you have any favorite porn stars or porn idols? Have any now?**

I was into porn. Not a frequent watcher where I knew everyone's names or even had a favorite then. Though, I would say my idols now are Nina Hartley, Jessica Drake, Bobbi Starr, Tom Byron, Diana DeVoe, and Shane Diesel.

**Do your cam regulars from the past know you do porn?**

It's funny...a few people have hit me up recently saying they remember me when I was Annabelle Amore. They are very happy and pleased with my video work! It's super cool.

@TaraLynnFoxx

TARA  
LYNN  
FOXX

**What were the most annoying things about camming?**

The people that want to cum in less than a minute or want to beg you for more than they give. Camming is about getting to know each other, and that takes time ;-)

**What porn scenes are you most proud of?**

I love *Captain America XXX!* *Creature Feature* was great! *Tara Loves Shyla*, *Ass Titans 3*...I also just did *Hairy Twatter*. I'm proud of all of those movies.

**Who do you love working with?**

There are a lot of people as of late I enjoyed working with, but some of my favorites have to be Sophie Dee, Kathryn Dupri, Isis Love, Bobbi Starr, Evan Stone, Shane Diesel, and Tommy Pistol. I still masturbate to my Bobbi Starr female POV scene for *Evil Angel*...extremely sexy and Bobbi is a stellar performer and director.

**Who's on your porn wish list? And what is it about them that turns you on?**

Umm...another good one! Jesse Jane, Stoya and Jessica Drake. They are all so sexy and in their own ways. But I just love their personalities, how incredibly attractive they are, and what they've done in this industry. Ahhhh!...and Asa Akira!!! I have a major girl crush on her. She's so flexible and she looks like she can own you.

**Have you ever kept fucking someone after the scene ended?**

**Or played around with them in the bathroom off-camera?**

Yes. A few times. It's fun when you arrive on set, and you really hit it off with your co-star. I'm not naming names. But one time I was doing a scene and when we had a break because the crew needed to adjust lights, I yelled out, "I'm so fucking wet right now I'm dying for a DP!" The director pulled his test out of his pocket and jumped right in. A rare occurrence for porn, but my wish was granted.

**What turns you on during anal?**

The feeling is Ahhhmazing! Plus, it's so hot that I'm getting rammed by a ginormous cock for people to wank off to!

**Do you like anal in your personal life and were you doing it pre-porn?**

**What got you curious about anal?**

I love anal. I wasn't doing it before porn but had tried it a couple times. It wasn't until a few anal scenes that I really enjoyed it. It's an shhhmazing feeling during play time. Sometimes I'll use toys or just my fingers, but I cum so hard when I do that.

**Do you prefer one night stands? Or relationships?**  
I am a relationship girl, but I just got out of one. So, the casual hook-ups are nice :-)  
**Has porn affected your taste in men?**

Yes...sex is important, and they really have to accept me for who I am and everything that comes with it... It's not easy to find a MAN that can hang.

**Are you more of a pleaser in bed? Or more dominant?**  
Mostly a pleaser, but sometimes I like to be dominant.  
**What kind of stuff do you like doing to seduce men?**

Hmmm...I just love to make them feel like a king. I kind of test the waters and see what he likes, then do it really well! Lol.

**Who do you hang out with in the industry? What do you do with them?**

I love Isis Love, Kathryn Dupri, Shane Diesel. Isis and I are always getting into trouble. KD and I make hot lez sex, and Shane and I love going to the beach with our doggies. Billy Watson and I like to hit up the flea markets and trendy restaurants.

**You're a Twitter addict.**

**How has it helped you bond with porn?**

Oh, my! It's helped a ton! I am able to interact with my fans on such a cool platform.

**Your dog has a Twitter. WTF? Explain.**

Haha! I just thought it was cute that CoCo had made a Twitter for her dog so I made one for my girl...It's fun!

**If you tweet an appearance, do fans show up?**

Oh, yes! I have an awesome group of fans! GO #TeamTLF!

**What music, movies, TV shows, books, magazine, websites, etc. are you wickedly into?**

I just finished all of the seasons Netflix provides for *Breaking Bad*, *Weeds* and *American Horror Story*. And I love *How I Met Your Mother*! I love all genres of music. I'm quite into Nicki Minaj. I love reading, but porn rations me just enough time for *Bon Appetit* (I love cooking) and finding different pornstars' Instagram photos.

**What's the sexiest song lyric?**

"I wanna lick you from your head to your toes. And I wanna move from the bed down, to the down, to the floor..."  
by Ludacris.

(continued on page 77)

**Are you known in the hip hop community?**

Not sure, but I wrote the book for Frank Nitt and have attended events with him; so, naturally I met people along the way. The book is called *The View From the Underground*. I am friends with Bobby Brackins. We're both from the Bay area, and he reached out for some promo pics for his tour. Ever since then, we have been homies. It's a fun and accepting community.

**What turns you on about black guys? Is the sex different or do you just think they're hot?**

I grew up in the Bay with a thick bottom half, so I was hit on by black dudes early on. I love all colors of the rainbow, but there is something special about a chocolate lover ;-)

**What kind of guys get your attention?**

Confident, successful, creative, sexual, respectful, trustworthy, funny, athletic, healthy... educated.

**How many dates does it take for you to fuck? Or at least for bj or at least hj?**

It depends! If I like 'em and wanna keep 'em around, then as long as I can hold out. Maybe a handy after two dates and a bj after five? I don't know...as long as possible unless they aren't suitable for a long-term situation. Then it's straight to fucking! Lol.

**How do guys react when you show off your porn skills in bed?**

It blows their mind, and they fall in love and want to keep me!

**How soon do you give up the ass in real life?**

I make them work for it! A few dates and a clean test. Haha!

**What non-sex projects do you have going on?**

Currently, I am focusing on relaunching taralynnfoxx.com and foxychef.com. FoxyChef is a sexy cooking show I will be airing very soon on YouTube, so subscribe now:

[YouTube.com/TheFoxyChef](https://www.youtube.com/TheFoxyChef)

**Name five unknown TLF facts.**

- 1: I was engaged at 19.
- 2: I got offered a contract from a studio and I turned it down. Lol.
- 3: I fantasize about having a gangbang.
- 4: I cum harder and faster from oral.
- 5: I dream of being a MegaStar! Or just a really great performer of all arts ;-)

**How many guys do you want on the gangbang?**

Depends on my mood. Five. Maybe 10! My fantasy is to have it directed by Mason for Elegant Angel. Help me make it happen! 🐱

**DIRECTOR**  
PORNO DAN

**SLUTS 'N' PUPPET**  
IVANA SUGAR, MOLLY BENNETT  
PORNO DAN

**PIXXX & ARTICLE BY JEFF HUBRIS**

Porno Dan is making a difference. I can think of several young ladies who have since achieved "prominence" in the industry who were once rookie irregulars here at Immoral Productions. Some girls have even used these studios as a temporary crash pad. And some will admit in hushed, dismissive tones that, yes, they did their time here at Immoral, as if it were some kind of porno correctional farm, a Chatsworth gulag archipelago. These girls are not proud, for rather than being sentenced to a dark universe of embarrassment, they chose it for themselves. For better or worse. Pity the poor. I'm just sayin'. But, if anything, Porno Dan has been running a farm team for a select few who now feel they've moved on up to the East Side of porn aristocracy. They're different now, playing in the big leagues where it's so easy to forget what life was like across the tracks on the poor side of town. That being the case for some but not all, it's important to pay attention to the goings-on here because some of the critters who cycle through the Immoral meat grinder could very well end up being the big In-N-Out Double-Double Animal cheeseburger of tomorrow. You guessed it: it's all very exciting.

Molly Bennett, an 18-year-old Southern Californian fresh out of high school and Ivana Sugar, a 19-year-old Ukrainian attending school in Budapest are decked out in tight, black outfits and posing for sunlit pictures in the back lot of the Immoral studios. Porno Dan will function as the sole male penetrator for today's show. "This is an excuse for me to have sex with two ridiculously hot teenage girls," he says with deliberateness. "Nothing more... I'm that shallow. Old-school porno. I named this show after the great Sweet song 'Teenage Rampage!'"

Dan slides right into carnival barker mode. "My man Jeff from *FOX* Magazine will be here tonight taking pictures if you hear a clicking noise. Just keep your hands and feet inside the ride, that is just Jeff from *FOX* clicking away. Okay, I think people want to see this because I have two gorgeous girls."

Ivana Sugar does porn to supplement her income while attending school in Budapest, the L.A. of Europe in a porn production sense. "I had my first sex in my private life when I was 18 and three weeks later I started working in porn," she says in a hefty Ukrainian accent. "It's really good. People say that porn is not good and I'm, like, come on! I go to the shoot and I do sex with some nice guy and I do my job, I get money and I go home. For example, some girls go to the club and get so fucking drunk and have sex with everybody without condoms and it's okay because nobody can see it."

Molly Bennett has been doing porn for just over a month and had only one boyfriend before her first on camera bang out, a fine accomplishment in the modern day Sodom of SoCal. "I've had about 12 boy/girl scenes I think," she says in a small voice. "It's been good because the guys know what they're doing. It's awesome and I love it and the first time that I ever had an orgasm was on-camera. It was my second shoot and, omigod, it was amazing. I was in doggie and I didn't know that I could feel that much pleasure."

Dan has both girls put socks on to ramp up the teener slumber party vibe. It's time to shoot so he summons both into the Immoral inner sanctum which is flanked by two brownish porn couches. Travis Varjak shoots camera. "Tonight! Tonight! Tonight!" screams Porno Dan. "We have America's and Europe's hottest teens united! It is like a dream come true for a degenerate like me!"

He tells them to stand up and he fondles their butts, addressing the camera one more time. "Wow," he says sincerely. "Today is the day that I had a dream about in college. I was sitting at my fraternity house. I swore to god that somehow, someday I would make this happen, and I have. I truly have."

"What should we start with?" he asks. "Spin the Wheel of Debauchery, Molly. That will give us something to do."

Molly spins the carnival-sized wheel of sexual acts. It clicks and clacks, eventually stopping at "69."

"69!" shouts Dan. "Why don't one of you sit on my face? We'll do it kind of different," he says, taking a seat on the couch. Molly Bennett shoves her pussy into Dan's smiling face. He instructs Ivana to blow his dick. They double-team each other and both girls squirt from the classic "two middle finger" high-speed digital G-spot plunging technique. Porno Dan gets blown by Molly too, the girls 69 each other and then Dan bangs both of them.

**IVANA SUGAR:** I am from Ukraine and one year ago I left to study about the U.S. in Budapest. I'm studying the culture of Europe and America. It's really interesting. In United States the most porn is in Los Angeles and in Europe the most porn is in Budapest. I can study and work. I speak Russian, Ukrainian, Czech, Slovak, Spanish and English, but I don't speak Hungarian. It's a hard language. Every word sounds like a dirty word. It's like, *Jesus people, what are you talking about?* ...I like everything. Maybe it's my age because when you're 19 everybody loves everything. I started having my private life sex and then after about six to eight months I had my first orgasm. I really love spoon position. I really love it. With the guy behind me, it's really cool. I don't really have a big hand but to give myself an orgasm I use these two fingers. I've been here in the USA for about one month. I started working immediately and it's been like every day. It's really good, I'm so fucking happy because the guys are really nice and half of the guys are European guys anyway and that's good for me. I like working with both the European guys and the Americans. I love this weather. People should be happy to live here. For example, in Budapest it was like -25 and nobody goes out to do anything, they just sit at home. I want to stay in this business but I don't want to stay here a super long time and I don't want to leave this business without getting anything from it, so before I leave here I will get something. The money is okay but I want something more. My parents know that I am studying in the university but nobody knows about my job. I started liking girls when I started doing porn. I like this girl, she's little, she's cute and I'm like, why not? It's a pleasure to kiss her, it's a pleasure to touch her. My dildo is better than any man.

**MOLLY BENNETT:** I grew up in Southern California. I started because I was on Model Mayhem doing like regular fashion modeling, and my agent before Shy asked me if I wanted to make like 25-grand a month doing nude modeling. I was like, yeah, sure I'll do it and that got turned into a BJ scene and that turned into a boy/girl, etc. but I like it and I'm not ashamed or anything that I started doing porn. If it wasn't for that one little incident I probably wouldn't be here. I was like a total straight-A nerd who sat in front of the classroom. I only had sex with one guy before I started porn. When I got into porn I was basically looking for an excuse to have sex because all the guys I went to high school with, if I had let them go all the way, they would have told everyone and it wouldn't have turned out well. I've always been really sexual but I've just never really expressed it a lot because you know how vicious high school kids can be. I think when I first started my parents started getting assumptions but I kind of curbed their thought process that I was still doing modeling because I just came up with story after story. I'm planning on telling them eventually but just not right now. I'm not ready yet. I want to be in it for a while. Porn has made me venture into so many areas that I never would have gone into. Like I'm bi now and before I never would have touched a girl. I'll eat pussy now and I love it. It's all happening so fast. I've been in about a month. I never thought that I would be eating pussy. I'm kind of like surprised at myself. I'm like holy shit, I never would have done this if I had never done porn but I love it now so like thank god I do porn. I mean, like, I want to get my name out there and become well-known in the industry. I want to become one of the big names like Alexis Texas, one of those girls. I really like being on top because it gives me the opportunity of being in charge whenever I want to take action. I don't do anal yet. I've tried to do in my personal life and I couldn't successfully accomplish it because it just hurts so bad. Omigod, every single shoot if the guy is over eight inches you have to dedicate a certain amount of minutes on working it in because it won't fit. My vagina just shrinks up after every shoot and that's the problem that continues to happen. I really like swimming. I've been swimming ever since I was really little.

When all customary fornication permutations are achieved, a load is blown on Ivana's rack. Molly licks it off. We're done here. Again.

Porno Dan has achieved notoriety, with something resembling a work ethic, by cranking out live porno shows four or five times a week. Just like a bar musician who shows up to play a gig every night, Porno Dan makes packs of girls show up and rise to the occasion, banging it out, making the job of wanton sex into digital showbiz on a consistent basis. Even when he fails at trying to keep it all interesting, that becomes the joke; the result being a weird, train wreck moment of theater of the absurd that you can't *not* watch.

"I'm making every Phi Kappa Sigma in the nation proud right now," he brags while POV-ing a double BJ from standing position. Greek system, hyper-party spiritual vacancy informs much of Porno Dan's cheesy, reversible jacket of an act that manages to defile the porn house even further with frat house retardation, if that's even possible. Just when you thought that porno couldn't get any more ludicrous, it manages to go lower. I know, it's an amazing concept that refuses to die. Porno Dan is a performance artist.

**PORNO DAN:** Livin' the dream, baby! That's all I can say. Ivana, you're something else, you squirt a lot too. I've never seen you cum before but I think I love it now.  
**Ivana:** Everybody loves it.  
Everybody loves Ivana Sugar and everybody loves Molly Bennett. Combined, Jeff, they are very young still. Goodnight everyone, thank you for watching! 🐱

PIXXX BY STILLS BY ALAN

@AnneMelbourne69

Going down under Anne Melbourne would be one wet dream of a staycation. Her tidy, smoothly-shaved puss is like a private island of ecstasy nestled smack in the center of two vast expanses of leg. Licking along the taut contours of her thighs en route to Vaginaville really affirms the old adage that getting there is half the fun. Her fine, flush lower lips look ready to receive long, leisurely, open-mouth kisses and seem to whisper of the need for something stiff to be thrust between them. Not even Anne herself is immune to the Siren's call of her snatch, and answers it by inserting one side of a two-pronged dong into her damp delta of Venus, eager to be led to a little death. As the long arm of the lovestick soothes the deepest cravings of her passion pit, the stumpy spur tickles her clitty while Anne writhes in wild orgasmic throes. 🐱

## @Ash\_Hollywood

By @Gabriel\_Lan

While I would consider myself something of a smart-ass, I can't hold a candle to Ash Hollywood. Especially when you throw in the part where her "ass" looks a whole lot better than mine. Never mind how incredibly sexy she is...that's a given. When you consider her personality too, you fall hard. No pun intended. Ash is a perfect combination of intelligent, funny, wild and sarcastic—with just a touch of crazy! Although she can now be considered a veteran in the industry, she's still finding new ways to reinvent herself, attempt new things and reach new heights, all while maintaining her one-of-a-kind charisma. I'll admit that I wasn't nearly as informed on her coming into this interview, but I leave it as a huge fan. Not just because of the dirty little slut she portrays to perfection on-screen, but for her kick-ass, balls-out attitude and friendly, funny, charming demeanor that she so fluidly blends to form the ultimate bad-ass. With just over 26,000 followers, Ash Hollywood's popularity will only continue to grow in leaps and bounds as more dirty perverts come to realize just what a total bad-ass she is!

**@Gabriel\_Lan** You were named the Juliland.com jGrrl of the Year. Were you surprised? What does that award mean to you?

**@AshHollywood** Quite honestly I was surprised. I didn't expect to win. I'm a fairly new addition to the Juliland Universe of "grrls" (Juliland spelling lol)

**@AshHollywood** The award to me means that my hard work paid off. If I'd been lazy, I would've never earned the title. I'm grateful and proud that I won.

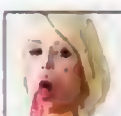

**@Gabriel\_Lan** Do you enjoy the modeling/photo shoot side of the adult industry as much as the actual sex/shooting a scene side of it?

**@AshHollywood** I enjoy both for separate reasons. I began in the modeling world in photo only and I've always enjoyed creating.

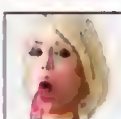

**@AshHollywood** The film aspect is an entirely different experience. I've learned so much about myself and experienced things that people only fantasize about....

**@AshHollywood** Did I mention this is my job?! Pretty fucking rad

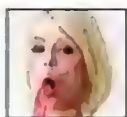

**@Gabriel\_Lan** The CDC had an actual zombie apocalypse preparedness seminar after events this year. How prepared are you for a global zombie attack?

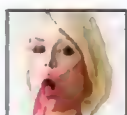

**@AshHollywood** Most of my fans know I'm a zombie fan, and one even went so far as to buy me the zombie guidebooks AND create a custom painted zombie bat

**@AshHollywood** for me with giant nails sticking out of it. This created the catalyst for the many other weapons that have been gifted to me

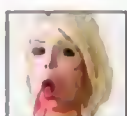

**@AshHollywood** such as brass knuckles and butterfly knives. With my temper and abrasive humor I'm shocked that I'm trusted with this inventory.

**@Gabriel\_Lan** In your opinion, where is the best place to survive a zombie apocalypse? What would be your strategy?

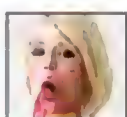

**@AshHollywood** Actually, there are shelters nationwide created to survive any apocalypse. Fascinating reading, although they're only for the rich.

**@AshHollywood** My strategy would be to keep moving to remote places. My personal choice: Whistler, British Columbia in Canada. It's my favorite place to be

**@AshHollywood** AND its very remote. Warm places will speed the decay of zombie flesh weakening them in theory but the cold may preserve them unfortunately.

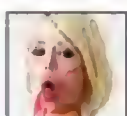

**@AshHollywood** I'm not one to run from danger though. I'm sure I'd be right in the middle of the danger slaying zombies. I'm a great shot.

**@Gabriel\_Lan** Are you a fan of the whole vampire/werewolf/zombie genre? Have a favorite movie or TV show about any of them?

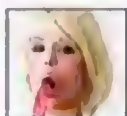

**@AshHollywood** I follow just about all of them. My classic favorites are the *Evil Dead* series, possibly part of the reason why I like to be called Ash.

**@AshHollywood** I enjoy the *Resident Evil* series as well for games and movies. So far the best depicted television zombie show by far is *Walking Dead*.

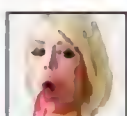

**@AshHollywood** *Interview with the Vampire* was my absolute favorite vampire movie. Recently I fell in love with the *Underworld* series (vamps & werewolves.)

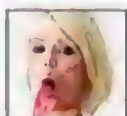

**@AshHollywood** All the other shit out there is too bubblegum teen romance for me to be honest. I like it brutal and intense )

**@Gabriel\_Lan** If some genius decides to make a super hero movie with you in the title role as "Sarcasmo" Can I play your sidekick/fuck buddy "SmartAss?"

**@AshHollywood** Well, in the history of sidekicks you will always be in my shadow competing for recognition of some sort.

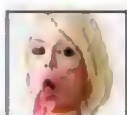

**@AshHollywood** Will you be able to handle that, "SmartAss?" Or will you be "ButtHurt" instead?

**@Gabriel\_Lan** Personally, I've been trying to perfect a sarcasm font for over a decade with little success. Do you think sarcasm is an art lost on the stupid?

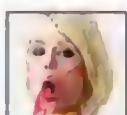

**@AshHollywood** Sarcasm is an art lost on anyone without a sense of humor whether they be bright or dull.

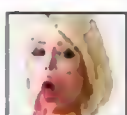

**@AshHollywood** Most people do not harbor the mental capacity to find their way out of a box let alone think outside of one.

**@Gabriel\_Lan** Another thing we have in common is a frustration over grammatical errors. You delete and retype countless tweets for that very reason too?

**@AshHollywood** I've performed this action several times a day. Language is one of my passions!

**@AshHollywood** Being that I'm a raging smart-ass who hates to be undermined I cannot let something as simple as grammar allow the other person to win!

**@Gabriel\_Lan** For my money, you HAVE to be in the running for FOX's "Tweeter of the Year" award. Where do you get your sense of humor?

**@AshHollywood** I come from a long line of sarcasm that dates back quite a few generations. We're a bunch of twisted shit-talkers.

**@Gabriel\_Lan** Are you a comic book geek at all? Keep up with any particular character or series?

**@AshHollywood** If you aren't aware yet I'm a huge *Batman* fan. He's a regular man with a heart full of vengeance and a lot of cool fucking toys.

**@AshHollywood** All of the female villains in *Batman* also spoke to my heart. They're all seductive, sadistic and quirky. Sound familiar?

**@Gabriel\_Lan** Who would be your ultimate character to portray in a movie...porn parody or mainstream?

**@AshHollywood** I would personally want to play Cat Woman or Harley Quinn. My ten year gymnastic experience would be key in both!

**@Gabriel\_Lan** Do you have any aspirations of going mainstream?

**@AshHollywood** I would in a heartbeat if the opportunity arose. I'll admit I'm not avidly seeking it out, but would be more than grateful for the chance.

**@AshHollywood** I have more long-term career goals in mind at the moment.

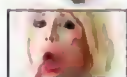

**@Gabriel\_Lan** Did you ever watch the episode of *Chatsworth Girls* that featured you?

**@AshHollywood** Yes!! It was so funny!! haha

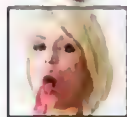

**@Gabriel\_Lan** You think it could be a regular segment on Adult Swim on Cartoon Network? lol

**@AshHollywood** It should definitely go viral! Lol

**@Gabriel\_Lan** Maybe it could lead to voice-over work for Pixar Studios...ya think? LoL

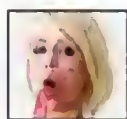

**@AshHollywood** No way! My voice is way too annoying lol. I sound like an immature "tween."

**@Gabriel\_Lan** What sort of qualities do you look for in a guy? Not that I'm taking notes or anything :-)

**@AshHollywood** I like a man who is fit, has some sort of unique style, and is packed with some sort of talent or intelligence.

**@AshHollywood** I'm a sponge and I love to soak up knowledge so I usually end up dating artist or intellectuals that can teach me something.

**@AshHollywood** They also have to be about ten years older than me. I'm an old soul who's a bit hard to tame, so I look for someone who'll run wild with me.

**@Gabriel\_Lan** How about in a girl? Do you ever date girls in your personal life?

**@AshHollywood** I always seem to have a harem of girlfriends at one time. All my grrls have boyfriends so there's no real commitment for either of us.

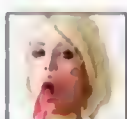

**@AshHollywood** I like it that way. I make a better boyfriend than most of the guys and I find it funny that they try to compete with me.

**@Gabriel\_Lan** What can you tell about a girl by the type or kind of alcohol she drinks?

**@AshHollywood** I recently came up with this theory. Vodka: high maintenance! Champagne: girly! Whiskey: crazy! Beer: lesbian/tomboy!

**@AshHollywood** Gin: psychotic! (seriously, you only drink that shit to punish yourself). Jäger: she'll out bro any guy.

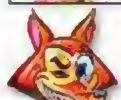

**@Gabriel\_Lan** LoL what if she doesn't drink?

**@AshHollywood** No great story ever began with, "so we were drinking glasses of water then..."

**@AshHollywood** I'm not a ragingly heavy drinker, although my friends and company do have to keep up with me.

**@Gabriel\_Lan** Is there a similar graph for basing things about guys on what they drink? LoL

**@AshHollywood** If a guy drinks whiskey or beer, he can drink with me. If they drink vodka or champagne they're fucking pussies.

**@AshHollywood** If they drink Jäger, well...I don't get paid enough to babysit. I will also keep company with wine drinkers.

**@Gabriel\_Lan** Jared Fogle has made a career out of shilling for Subway. What could you do for Jimmy John's market share?

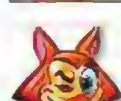

**@AshHollywood** It would be a sexy "deep throating a foot long" campaign! Hot grrls holding and downing 12 inches at a time.

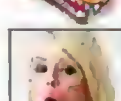

**@Gabriel\_Lan** What is currently in your refrigerator?

**@AshHollywood** At this point, probably a Red Bull, a bottle of Jack, some fruits or vegetables and an almost empty carton of eggs.

**@Gabriel\_Lan** I know you were interested in the TapoutXT workout. Is that what you used to get into such phenomenal shape?

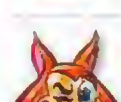

**@AshHollywood** I want to try it. I used to do the Insanity workout which was a more cardio based version of P90X.

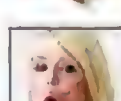

**@AshHollywood** My figure is from a lifetime of being a gymnast, basketball player, swimmer and snowboarder.

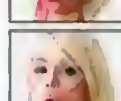

**@AshHollywood** I just recently started up a simple workout of push-ups, sit-ups, squats and lunges that inclines on a weekly basis. Simple yet effective.

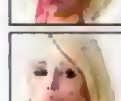

**@Gabriel\_Lan** Do you feel like you're in the best shape you've ever been in right now? Your abs are looking in-fucking-credible, obtw :-)

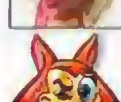

**@AshHollywood** I'm the slimmest I've ever been but definitely not in the best shape endurance speaking.

**@AshHollywood** I'm on a new health kick now since my Celiac disease was at its worst a year ago.

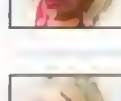

**@AshHollywood** I have a strict diet now and I'm trying to get my body back into optimal shape.

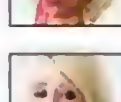

**@Gabriel\_Lan** You have several tattoos. Have a favorite one? Do they all have some special meaning to you?

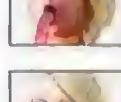

**@AshHollywood** I love all of my tats equally and they all have very special meaning. They all represent some transforming point in my life.

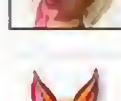

**@AshHollywood** The one on my arm is significant to the relationship with my mother and best friend since we both almost died in child birth.

**@AshHollywood** The kiss on my neck is to my "big sister" Brooke Haven who guided me in my early porn years.

**@AshHollywood** The one on my shoulders is an ode to the hard roads I've taken in my life that have transformed me into the woman I am today.

**@Gabriel\_Lan** What does a typical day away from work entail for you? What do you enjoy doing when you're not making high quality, dirty smut?

**@AshHollywood** Most of my days are spent playing catch up with real life responsibilities now that there are so many great things beginning with AshGirl.com

**@AshHollywood** and Juliland. Whenever I can, I travel. When I don't have time for that, I hang out with Lucifer and Satan (my fur babies) and read a good book.

**@AshHollywood** At night all rules go out the door and I'm creating chaos and debauchery all around Hollywood. It is my playground, after all.

**@Gabriel\_Lan** Now that the Higgs Boson Particle Collider has discovered the "God particle," do you think there will be a whole new Bible with all new commandments to break?

**@AshHollywood** I believe the Bible holds wonderful and basic morals for humanity to stand by, as do most religions that have this fundamental base.

**@AshHollywood** I do not believe in the scripture fully though. It's our best and first documented game of Telephone. I'm a very spiritual person

**@AshHollywood** my beliefs can be demonstrated with the following example: God is like light. Pure light is essentially white. When this light is filtered

**@AshHollywood** through a prism it is separated into different colors. I believe religion to be those different colors. We're all looking at the same thing,

**@AshHollywood** but possibly not seeing the entirety of it. Religion isn't a topic I enjoy discussing, because there is no way to make everyone agree.

**@AshHollywood** Ironically enough, pride is the root of all sin.

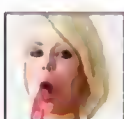

**@Gabriel\_Lan** It's clear you always give 100% in your scenes, and whatever else you do in your life. Is there ever a time when you shouldn't give 100%?

**@AshHollywood** When donating blood ;)

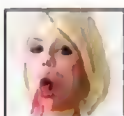

**@Gabriel\_Lan** The wardrobe bag is an essential part of any adult actress' career. What do you keep your bag stocked with?

**@AshHollywood** Wardrobe is my personal nightmare. I always have an assortment of bras and panties, most of which I try to make sure aren't repeated too often

**@AshHollywood** Corsets, shorts, skirts, dresses, tops, thigh highs, my makeup, sex toys, lube, baby-wipes, phone charger, my test and IDs.

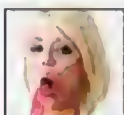

**@AshHollywood** Another bag just heels and boots because I don't want the filth I walk in to get anywhere near my clothing or panties. The essentials.

**@Gabriel\_Lan** Ever had a wardrobe disaster, where you weren't prepared?

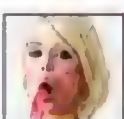

**@AshHollywood** Yes. If I pack after some Mary Jane influence I think I'm being extremely efficient (I blame my have German side for the need to be so)

**@AshHollywood** Although I only end up with half the things I need when that happens lol.

**@Gabriel\_Lan** You have some loyal fans, but there are always those fans that are rude and/or judgemental. How do you deal with those so called fans?

**@AshHollywood** Those people are not fans. They project the misery they harbor inside to those they believe to be weak.

**@AshHollywood** I never humor them because their desperation for attention is anything but amusing to me.

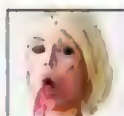

**@AshHollywood** I have a thick skin, and even thicker after being a veteran in this industry for a couple years.

**@Gabriel\_Lan** Did you have a plan for your career when you started in the biz some 2 odd years ago? If so, how well do you think that plan is going?

**@AshHollywood** I honestly never planned on having a modeling career let alone a porn career. I fell into them both.

**@AshHollywood** I'm still shocked and oblivious to my status in the industry but quite proud of myself.

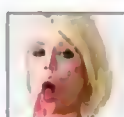

**@Gabriel\_Lan** With you being a veteran of the industry now, what sort of advice would you give the endless supply of young, naïve girls entering the industry on a daily basis?

**@AshHollywood** In a nutshell, every girl needs to remember she's an adult and the choices she makes are her own.

**@AshHollywood** Everyone has the ability to do things to their own limits by their own choice. Never forget to love yourself. Trust no one.

**@AshHollywood** Fuck in every scene like your life depends on it, and save your money. I wrote an entire blog on my website that would be better referenced.

**@Gabriel\_Lan** What do you need to have "staying power" in an industry that chews girls up and spits them out so fast?

**@AshHollywood** Girls need to be aware that it's possible to shoot themselves out.

**@AshHollywood** If someone wants longevity in their career they need to limit what they do and leave the industry wanting more...and have more to give.

**@AshHollywood** I took my career slowly. Still am, mainly for my personal comfort level but also for my "brand" as "Ash Hollywood." It's Business 101.

**@AshHollywood** Last but not least, always have an escape plan for when things go wrong or when they need to leave.

**@Gabriel\_Lan** Have you thought about what you'd like to be doing with your life 5 years down the road? 10 years?

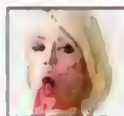

**@AshHollywood** Hopefully 5 years down I am finished with my medical school that I began prior to the industry. By 10 years I plan to be moved on and

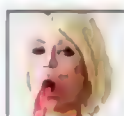

**@AshHollywood** settled well into a new career and a new life. We all know this doesn't last forever and eventually the g-string must be hung up for good.

**@Gabriel\_Lan** What is a typical Thanksgiving for you? Do you get together with family, eat, watch football, all the "normal" stuff?

**@AshHollywood** My small L.A. family of my room-mates and I usually have a small celebration. I am the house cook!

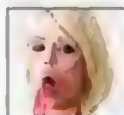

**@AshHollywood** We're as normal as normal can be for a house full of nutcases.

**@Gabriel\_Lan** So, you do all of the cooking for Thanksgiving? Have a specialty dish?

**@AshHollywood** I do! I make mouthwatering stuffing with lots of goodies in it. The Midwest redneck in me also specializes in something called "Hot Dish."

**@AshHollywood** I'll allow you to look that one up. This year maybe Jack Daniels themed I believe :)

ERIC JOHN

**SLUT 'N' PUPPET**  
KAYLEE EVANS, ERIC JOHN

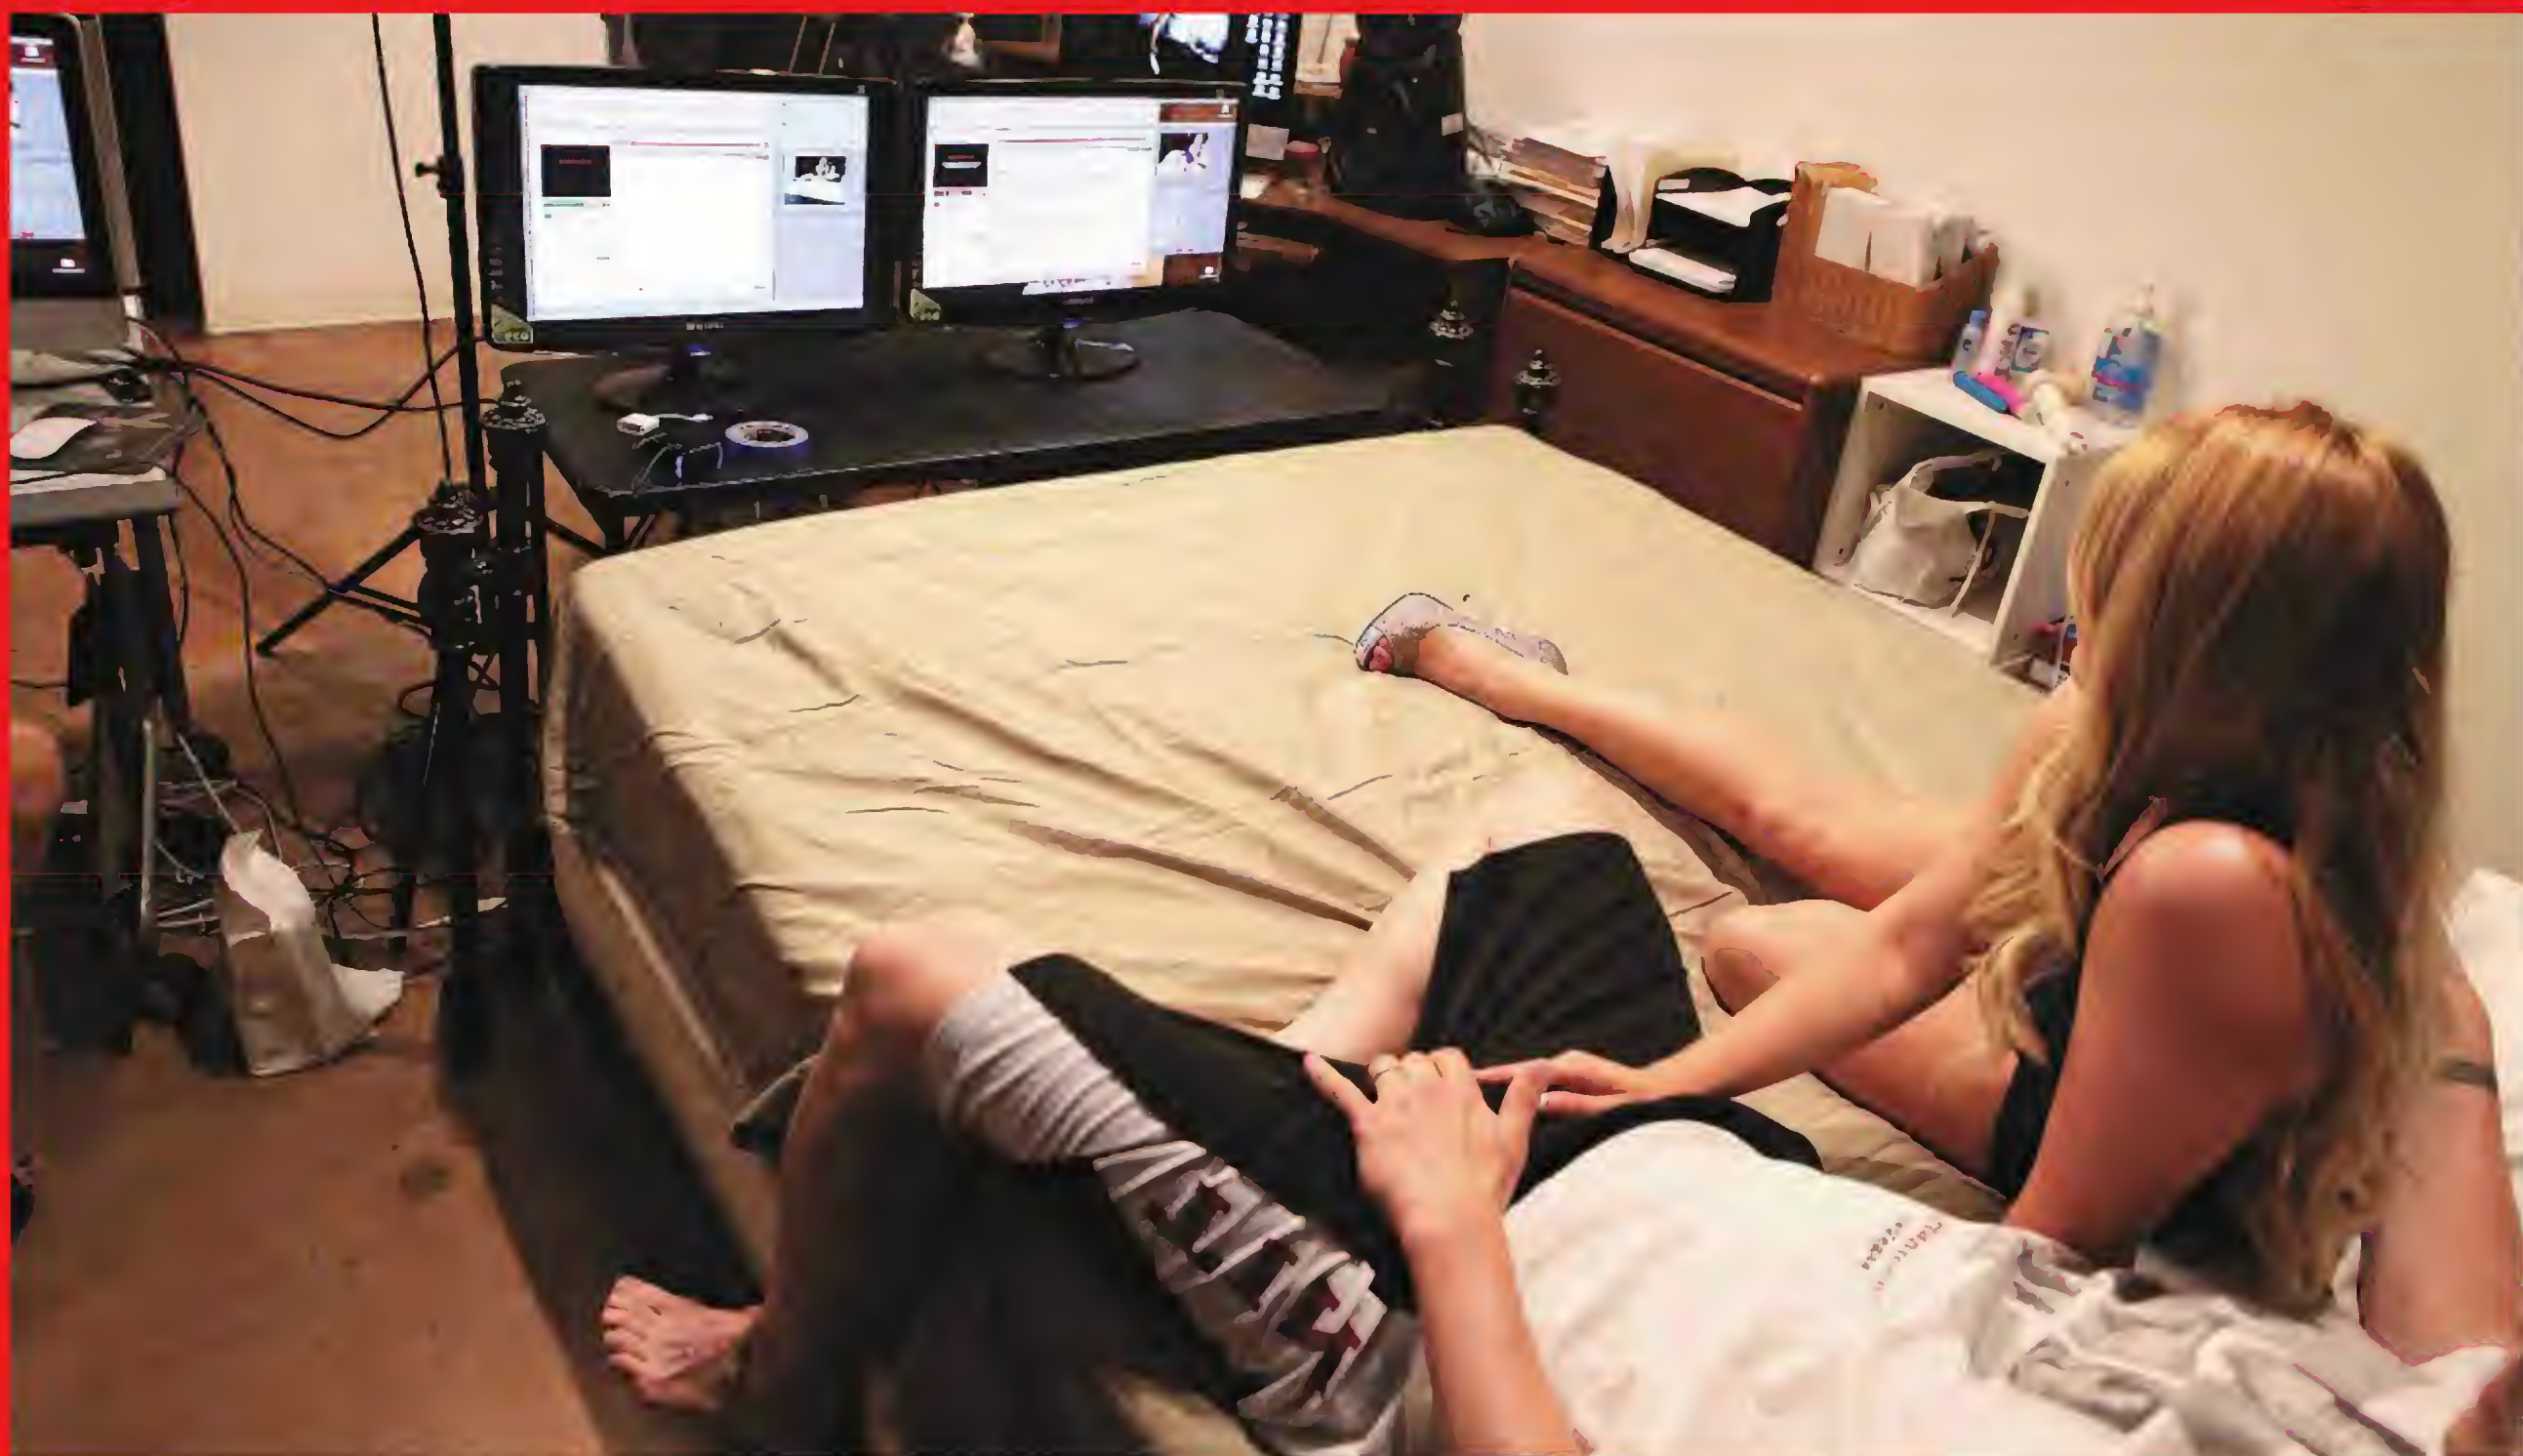

**PIXXX & ARTICLE BY JEFF HUBRIS**

Porn people have very high numbers. Their numbers are much higher than the numbers of non-porn people because on the days when non-sex industry employed people are not fucking, people in the sex industry are most likely fucking (whether they're in the mood for it or not) because it's also their job. They fuck a lot of different people in a wide variety of sexual situations. Just a literal fuckload of fucking. Even though all fucking is good, some fucks are still better than others for different reasons. Sometimes feelings of personal connection can even be involved. Imagine that. Many times, though, a superior fuck distinguishes itself simply by being from an individual whose fuck style is in some way unique or exceptional for whatever reason. Now you're hooked. Shit. I hate it when that happens.

Eric John has achieved a very high number, whatever it may be, because he fucks for a living and is also capable of blowing many loads a day, which enables him to stack up many porn shoots within a 24-hour period, thereby greatly increasing his daily, weekly and yearly numbers. He claims a record of sixteen or so loads in a day, so a paltry seven or eight jizz dispersals during waking hours makes for a walk in the park. Amidst this virtual sea of fuck occasions, one fuck, delivered by a Connecticut girl named Kaylee Evans has caught his attention and has been scheduled again for right now. "I'm big on her because she moves in this very sensual way that's more intimate and not very typical," he explains. "It's totally different to me. It's very nice and very beautiful."

At the moment Kaylee is lounging in a black bra and tan panties, not having yet slipped into a form-fitting blue dress that has been picked for the occasion. This is her first trip ever to Los Angeles but she admits to having already done around 20 scenes in Florida, as is the case for many East Coast girls who are lured there first. She gets into the dress and Eric John, who has just gotten back from being out of town, mentions that he instructed her to bring a hot dress that he could take off.

"You look very nice," he says. "I've been very horny for you all day. I would have dressed up more if I had known that your dress was going to be so proper like this. I've been looking forward to this all the time I was in Boston and all the time I was coming back."

Before the romance begins, Kacey Villainess, who is manning the computers, enters into her sales pitch for tonight's internet show. "Welcome everyone! This is a special edition of *Late Night Fantasy!*" she carnival barks. She then upgrades a viewer—with the handle of "Mr. Finance"—who has been here at the "gold show" before. Kaylee and Eric discuss the matter of her unusually short, porn-fucking learning curve.

"It must be true," she says. "Because the first scene I ever did the director was like, *I don't believe this is your first scene! You're lying to me.* And I'm, like, I swear to God!"

With a few minutes left until the appointed departure time, Eric John decides to proceed early, announcing that he's going to start with "that blowjob." "How's she looking?" he asks like a proud BJ tutor. "She's doing beautifully thanks to my penis right now."

Kaylee does not play to the camera or anything else in the room. She's just down with sucking cock at the moment. Even at this early stage of penis wrangling there is a notable paucity of sexual showbiz bells and whistles. Kacey Villainess relates that some viewers want her naked.

"The dress is not coming off quite yet," says Eric John. "I'm going to fuck her in the dress because that turns me on."

It's becoming clear that Eric John has again enlisted the sexual services of Kaylee Evans more for his own personal satisfaction rather than for the de rigueur erotic pyrotechnics that have come to characterize a modern, "exciting" porno performance. I see what's up here. She is going to fuck Eric John like there's no one else in the room because, as far as she's concerned, there isn't. It's just a free and clear, ego-less fuck without opening to the camera for a slew of phony "O" faces and screaming of bloody murder.

Kacey Villainess' boyfriend James shoots camera. Kaylee pulls up the blue dress and Eric John makes an insertion. Yes, I was right. This is a personal fuck after all. There is some small talk among the "lovers." The dress is off and they enter into a lengthy session of relatively quiet cowgirl. There is plenty of time to fill so each position and sexual act turns into a deliberate porn scene unto itself with people fucking for themselves. A lot of time is spent in reverse cowgirl of course, it being a super porn-friendly, open to the camera position that most people might skip during their non-televised, nightly bedroom fuck unless they're showing off to a mirror or whatever.

Eric John blows a load on Kaylee Evans' stomach.

"Was it just me or was that fucking hot?" he says. "I really, really, really like working with Kaylee. Too bad I only came seven times today. It was a solid three hours of fucking."

Dick! I see why he wanted her back though. After all the frantic, theatricality drenched porno fucking that is so much the rule rather than the exception, sometimes it's just nice to have a cool fuck in a porn setting with a girl who's just letting her pussy be around your dick without screaming her ass off. This is unfortunately a strange porn novelty because reality fucking can translate to bland fucking for viewers expecting a circus act. Sad really, but porn or non-porn, I get the attraction of the REAL FUCK. I'd have her back too, again and again and again.

**KAYLEE EVANS:** I'm from Connecticut. I'm German and Italian. Yes, my boobs are real. I'm not going to get a boob job. A lot of guys like natural tits. I'm a professional dancer. I mean an actual professional dancer, not like stripping or whatever. I do everything besides ballet and jazz and I'm going to school for dance too. That's pretty much what I was doing before. Dancing is my life. I like singing too. I've just been traveling so much back and forth trying to do everything I can. I still live in Connecticut. This is the first time I've ever been out here. It's been three weeks now. I kind of like it but I definitely like New York City. I don't know what it is.

I think I probably learned how to fuck from watching porn and I would just always look at them and be like, *I bet you I can do that!* But I was young, I didn't understand what it was. I just really want to make a career out of this and I want to get a big name. I'm not into it for only the money. I'm trying to actually stick around for a while. I'd like to get nominated for Best New Starlet next year. I had always wanted to do porn and as I got older I got really into the professional dancing and the auditions, etc. and I kind of did not pursue it. Then I started doing nude modeling and the nude modeling led into me getting into porn. It was more about not regretting it later that I never tried it and I thought I'd really be good at it because I'm a good performer and everyone I've been with has said that. If it doesn't work out it doesn't work out, but so far it's been good, so I hope it works out.

I was always like really sexual and it's really funny because all the guys I dated were always saying, *Hey, you should be a porn star.* I don't know, I guess it's because I'm just like more sensual. I like to take my time and I like to tease, I don't really like to just get right into it. Some non-porn guys are insecure, some guys aren't and they understand that this is just work and you don't gain any feelings with these guys. I wasn't crazy when it would come to like my boyfriend. I wouldn't go around and sleep with random guys or whatever. I didn't even lose my virginity until I was a junior in high school but I was always kinky in my relationships. I just love everything. I love the choking and hair pulling. I love all that, but I also like to be sensual too.

Oral is like a big thing for me, getting and giving actually. Both. I hate guys who don't like giving head, it's just annoying. I don't want to just go right into it just when we begin, I like pushing and pushing and pushing it and by then it's just like awesome, you know?

I get myself off with my Rabbit. It has to be on the clit though, that's what gets me off. It takes a lot to get me off just fucking. If I use a vibrator on my clit when I'm fucking that's just the best right there. Hell yeah. I've tried the Wand too but I didn't like it. It was like too hard on there. I have a really sensitive clit and it hurt.

Porn fucking is pretty much the same thing as regular for me though. I like sex and I don't have to fake it so it works out, you know? I kind of did a little bit of anal before I got into porno, but then again, guys don't really understand how to do it right. It's just one of those stick it in and that hurts things. But I've done anal in scenes now and it actually feels really good because they know what they're doing and it doesn't hurt and I really like it. I can get off from anal but it feels really different. I got off on the first anal scene I did actually. I've never done DP, ever, not even in my personal life.

I was never really used to big sizes. I did it in a good way in that I started off in Florida where they weren't as big, then they just got bigger and bigger and bigger. It's true, they're way bigger out here in L.A. than in Florida. Size really doesn't really matter to me though, it's more about how you work it. My pussy is really tight, and like when I'm done it just slips back up. I got lucky with that one. 🐱
